RE: Record Request [Request Number: PRR-FY-2024-17](#) Submitted on: 10/2/2023 at 8:19:48 am

Dear Mr. Phan,

This correspondence will serve as the Beverly Hills Unified School District's ("District") initial response to your Public Records Act {"PRA"} request received on 10/2/2023. Specifically, you requested the following:

"Dear Beverly Hills Unified, I am contacting you regarding a data inquiry for a research study conducted at UCLA. In collaboration with Professor Martin Hackmann, we are investigating procurement practices in school nutrition programs. To this end, we are collecting bid tabulation data on public school food procurements from different school districts. The ideal data would go from 2018 to the present and would provide detailed information on: solicited quantities by food item and procurement bids/prices for winning and losing bids by food item and procurement. The following link <https://garlandisd.net/search?keys=bid+tab+food> (e.g. under 17-Oct) gives an example of the data that we're looking for, provided in this case by a school district in Texas."

The District has completed its search and determined that it does not possess or maintain documentation that is responsive to the request. The District considers this request closed.

If you have any questions, please contact our office at 310-551-5100 ext 2210.

Sincerely,

Dr. Michael Bregy
Superintendent of Schools

Dear Pam Kraushaar,

Thank you for your response. May I have the reason behind not having the documentation or data responsive to the request?

Best,

Darion
