Hi Darion,

My name is Lissette Rooney, and I'm the director of the Nutrition and Wellness Department at Lawndale Elementary School District. You reached out to my Superintendent recently requesting information to assist you in a research study on procurement practices in school nutrition programs. Can we schedule a time to chat about this in more detail? I'd like to understand what information you are looking for and how I might be able to support you with this. I think it's great that you are looking in school nutrition programs and procurement practices and would love to hear more about your work. Thank you!

Regards,

Lissette
