

PROPOSAL FORM PRICING SHEET

Product specifications are based on products and pack size currently in use. Alternate pack sizes may be accepted when pack size specified is not available. The District's Food Services Department Director or designee will be the sole judge as to whether such alternate products are, in fact, substantially equal to the specifications set forth herein and whether such deviations are acceptable.

- ❖ All items quoted must include submission of a product specification sheet, Product Formulation Statement, if applicable and nutritional information. Nutritional specifications must include at least the following nutrient information: calories, grams of fat, grams of saturated fat, trans fat, cholesterol, sodium, total carbohydrate, dietary fiber, total sugar, added sugar, protein, Vitamin A, Vitamin C, Vitamin D, calcium, iron, and ingredients list, must be submitted with proposal on the Bidders' company letterhead.

Pursuant to the District's "Notice To Bidders – Request for Proposal" and the other documents relating thereto, the undersigned Bidder, having become familiarized with the terms of the complete contract, hereby proposes and agrees to be bound by all the terms and conditions of the complete contract and agrees to perform within the time stipulated in the contract and furnish the items of the contract.

Bidder should not bid on line items that cannot be provided
