Good morning,

I believe most of the information you need can be found here: <https://www.palmdalesd.org/Page/6478>

I also attached the tabulation. This is the first year we have done our own bids, as we were previously in a private co-op, so this is the only data available at this time.

Please let me know if there is anything else you need.

Hi Alecia,

Thank you again for the data! The attached spreadsheet is exactly what we are looking for. Do you have more years of this data? I looked through the link that was sent and was unable to find more years of this data. Would you be able to point me in the right direction?

Thank you again for your help.

Best,

Darion

No unfortunately, we were in the PINCO co-op until this year. They do post the bid info which can be found here: <https://pincoschools.com/index.php?page=17>
