Dear Lancaster School District,

I am contacting you regarding a data inquiry for a research study conducted at UCLA. In collaboration with Professor Martin Hackmann, we are investigating procurement practices in school nutrition programs.

To this end, we are collecting bid tabulation data on public school food procurements from different school districts. The ideal data would go from 2018 to the present and would provide detailed information on:

- solicited quantities by food item and procurement
- bids/prices for winning and losing bids by food item and procurement

The following link <https://garlandisd.net/search?keys=bid+tab+food> (e.g. under 17-Oct) gives an example of the data that we're looking for, provided in this case by a school district in Texas.

Attached is the Public Records Request Form.

The information needed for the form is as follows:

Name: Darion Phan
Address: 11282 Portola Plaza, Los Angeles, CA 90095
Phone Number: (925) 858-8411
E-Mail: darionphan@g.ucla.edu
Records Information: Please see above.

Thank you very much for your help.

Best,

Darion
